1. What was that crash?!
2. Donald! What do you think you're doing?!
3. I was doing what you told me to do — cleaning this room! Only all this stuff is so dusty I sneezed! And hey presto, instant junk yard!

4. Junk yard?! Are you calling all my treasured trophies junk?!
5. There's no need to get your glasses steamed up! I'll put back all your souvenirs!
6. Souvenirs?! Souvenirs?! These aren't just souvenirs! These are trophies of my many death-defying adventures!

7. Not that I'd expect you to understand! Some are born to defy death, others merely to do the dusting!
8. Oh, is that so?!
9. Well, I can defy death as well as the next duck! And I'm just as good an adventurer as you! And I'm going to prove it!

10. Soon —
 11. I want to go on your most adventurous adventure holiday!
 12. If sir doesn't mind me saying so, sir doesn't really look cut out for an adventure holiday! Is sir sure he wouldn't prefer a week on a health farm?!

15. Eating lettuce for a week can be exciting, you know!
 16. Look! I don't want to go to a health farm! I want to be an adventurer! I want to defy death!
 17. Well, in a way, going to a health farm, is defying...
 18. Not cut out for an adventure holiday! Huh! I think my demonstration of how to

stop a charging rhino in its tracks showed him!
 19. TRAVEL AGENCY
 20. The only question now is how do I prove to Uncle Scrooge that I'm a real adventurer!
 21. DUCKBURG ADVENTURERS' ACADEMY
 22. Of course! A degree in adventuring! Just the thing!

(*) Health farm : trung tâm bồi dưỡng sức khỏe bằng chế độ ăn uống, tập luyện.

23. A few days later —

24. Good morning! My name is Bret Bushfire! I'd like to welcome you to the Duckburg Academy degree course in adventuring! And warn you that ahead of you you've got a lot of hardship, danger and pain!

25. Hooray!

26. But by the end of the course you'll all be true-blue, lean, mean and tough adventurers! But the going's going to be tough! There's no room for passengers!

27. So anyone who's not up to it better wimp out now!

28. Why are you looking at me?!

29. Later —

30. Follow me! We're off to the Gender Ridge Hills!

31. Hey, I wonder if someone could give me a hand! I can't...

32. NEW DUCKBURG FOOTBALL STADIUM OPENING SOON

33. My arms seem to be...

34. Ah, that's better!

35. Oh no!

36. HA HA!

37. HA HA HA!

38. HO HO HO!

39. I think you've come to the wrong place, mate! You won't find any hills to climb on a football pitch! Ha ha ha!

40. HO HO!

41. Hey! Wait for me!

42. HA HA HA HA HA!

43. EXIT

44. Later —

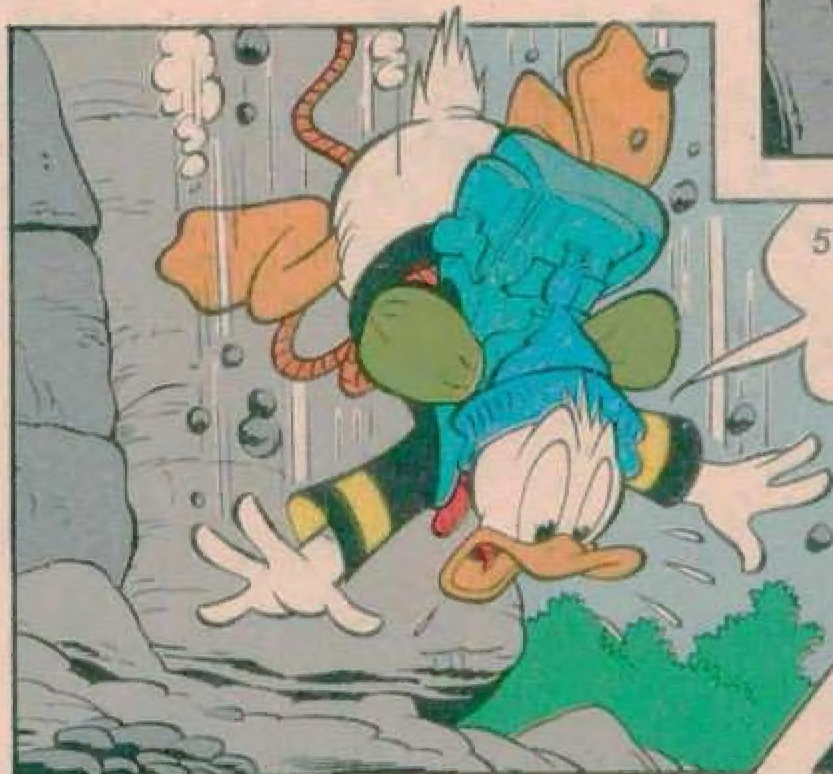

45. Our first adventuring exercise is going to be cliff face climbing! We'll be roped together!

46. Pant! Pant!

47. And we'll take it turns to lead! So anyone who doesn't feel up to it should say so now! The chain is only as strong as its weakest link!

48. Hey! What's everyone staring at me for?!

49. Oh, I see! You want me to lead off first! OK, then!

50. Puff! So far, so good!

51. CHINK

52. Oh no! An ant's nest! I'm sorry! It was an accident! Please don't...!

53. Ouch! That's the last time I try and reason with an ant!

54. SLAP

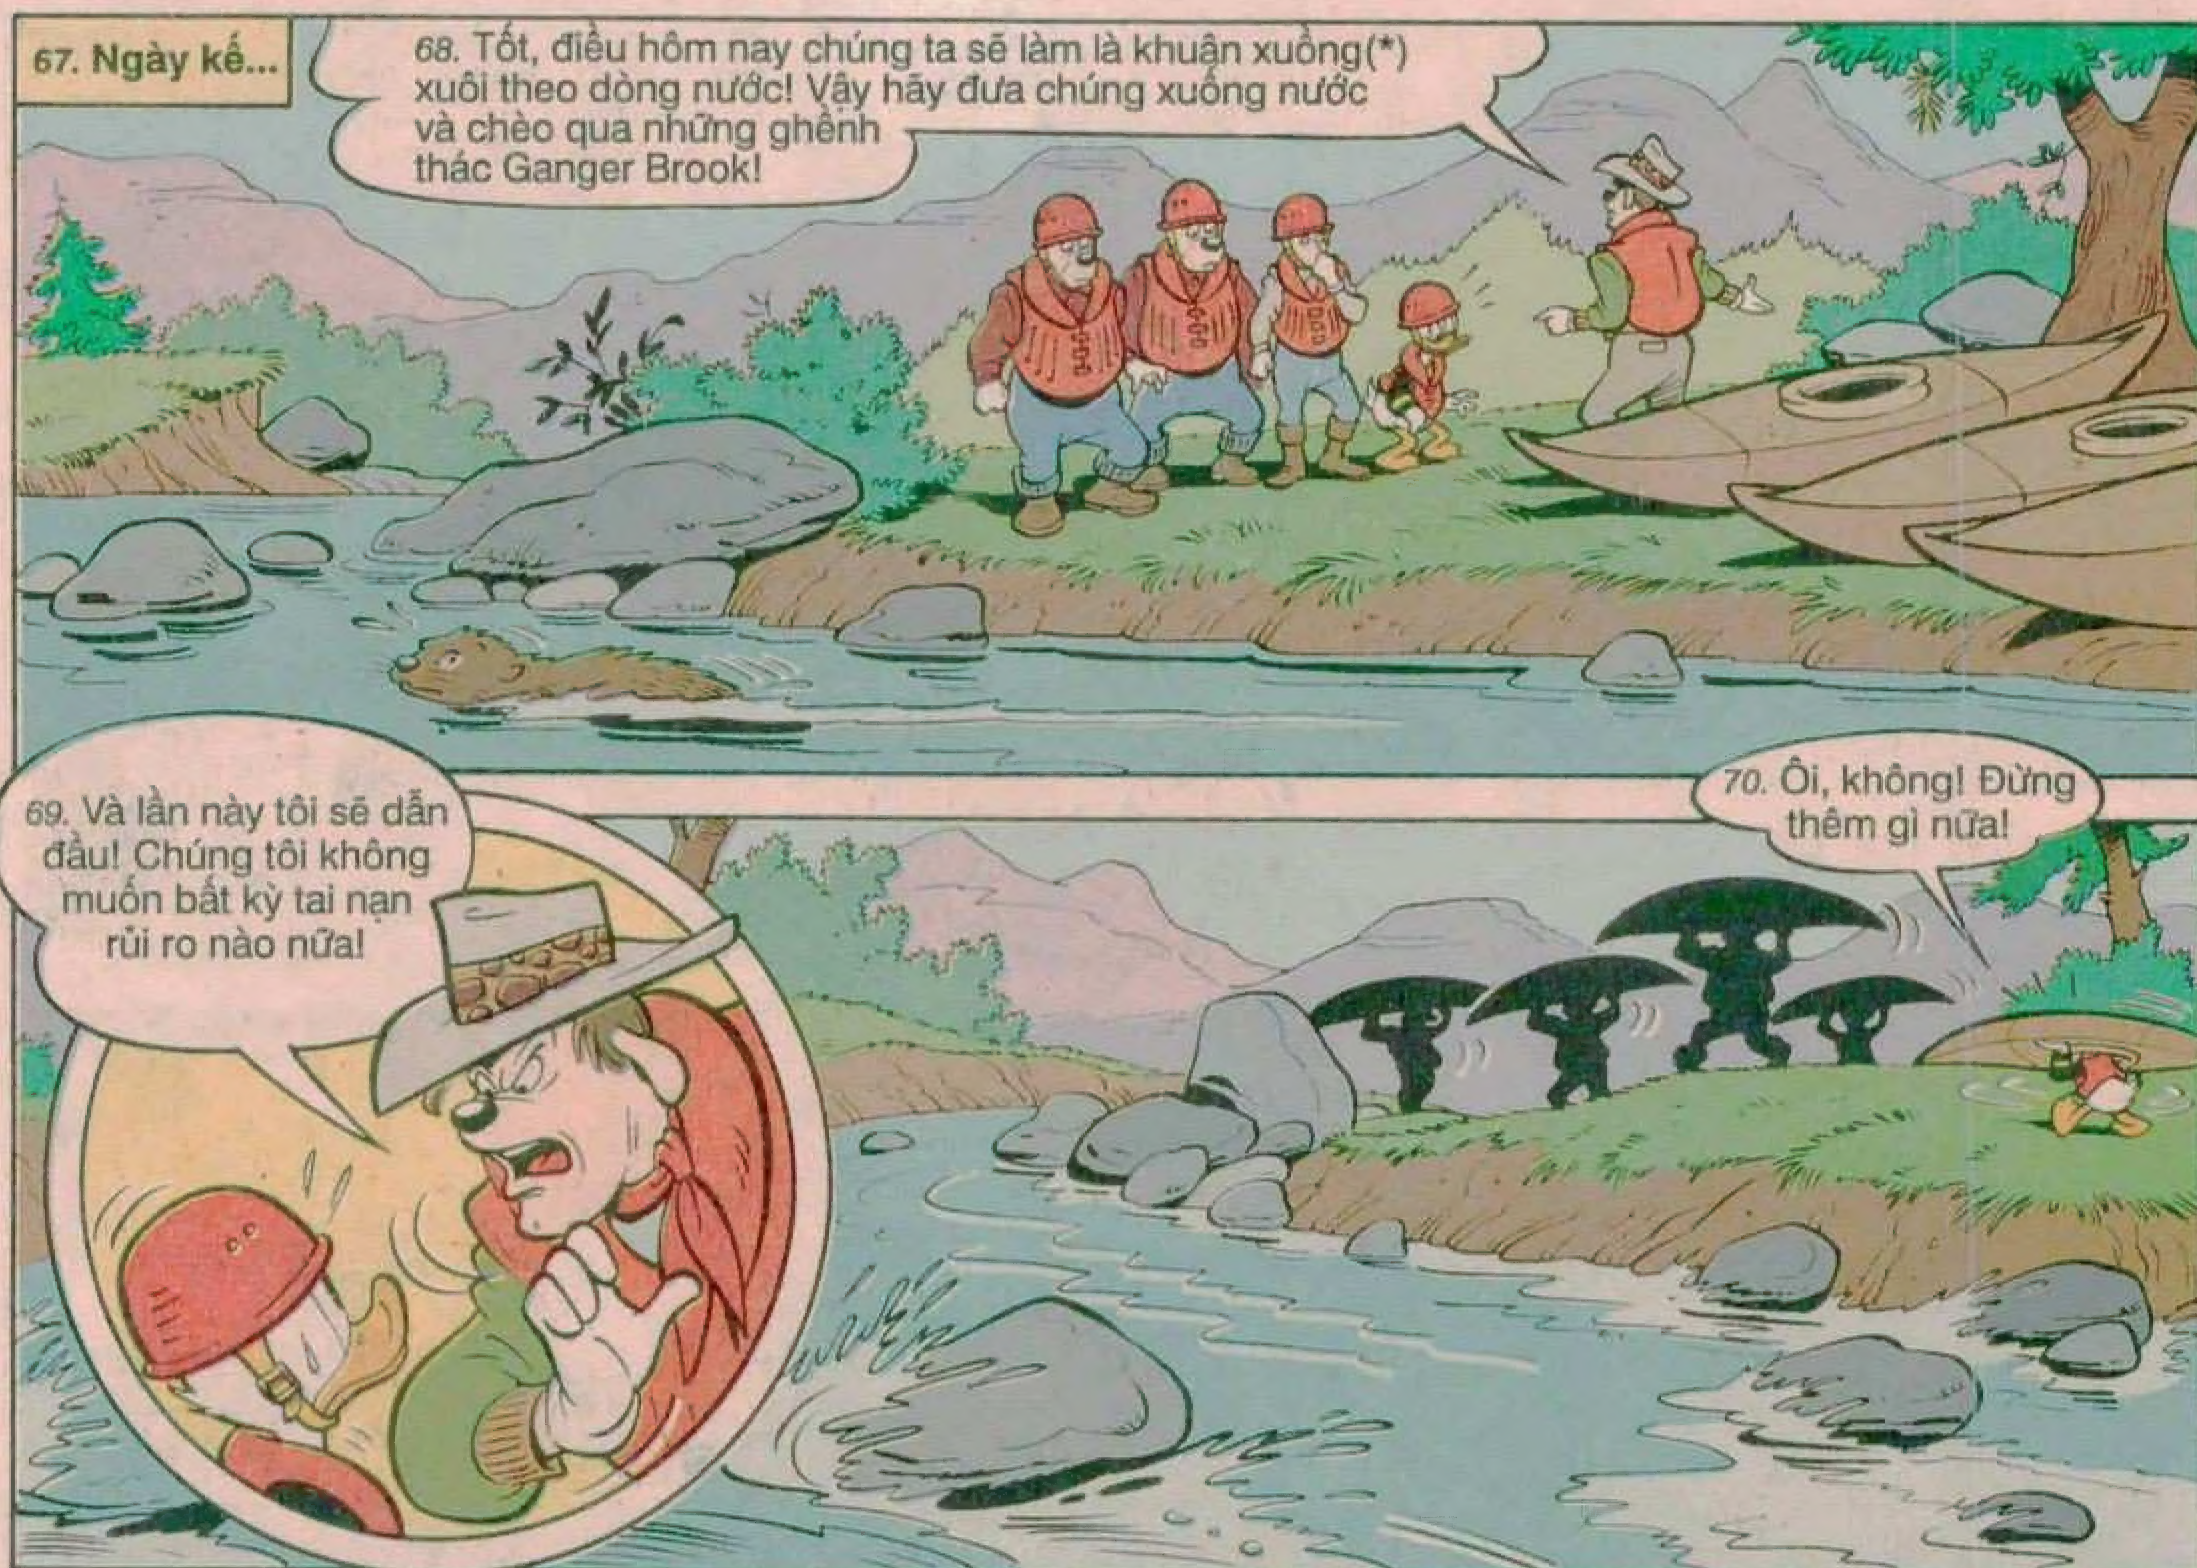

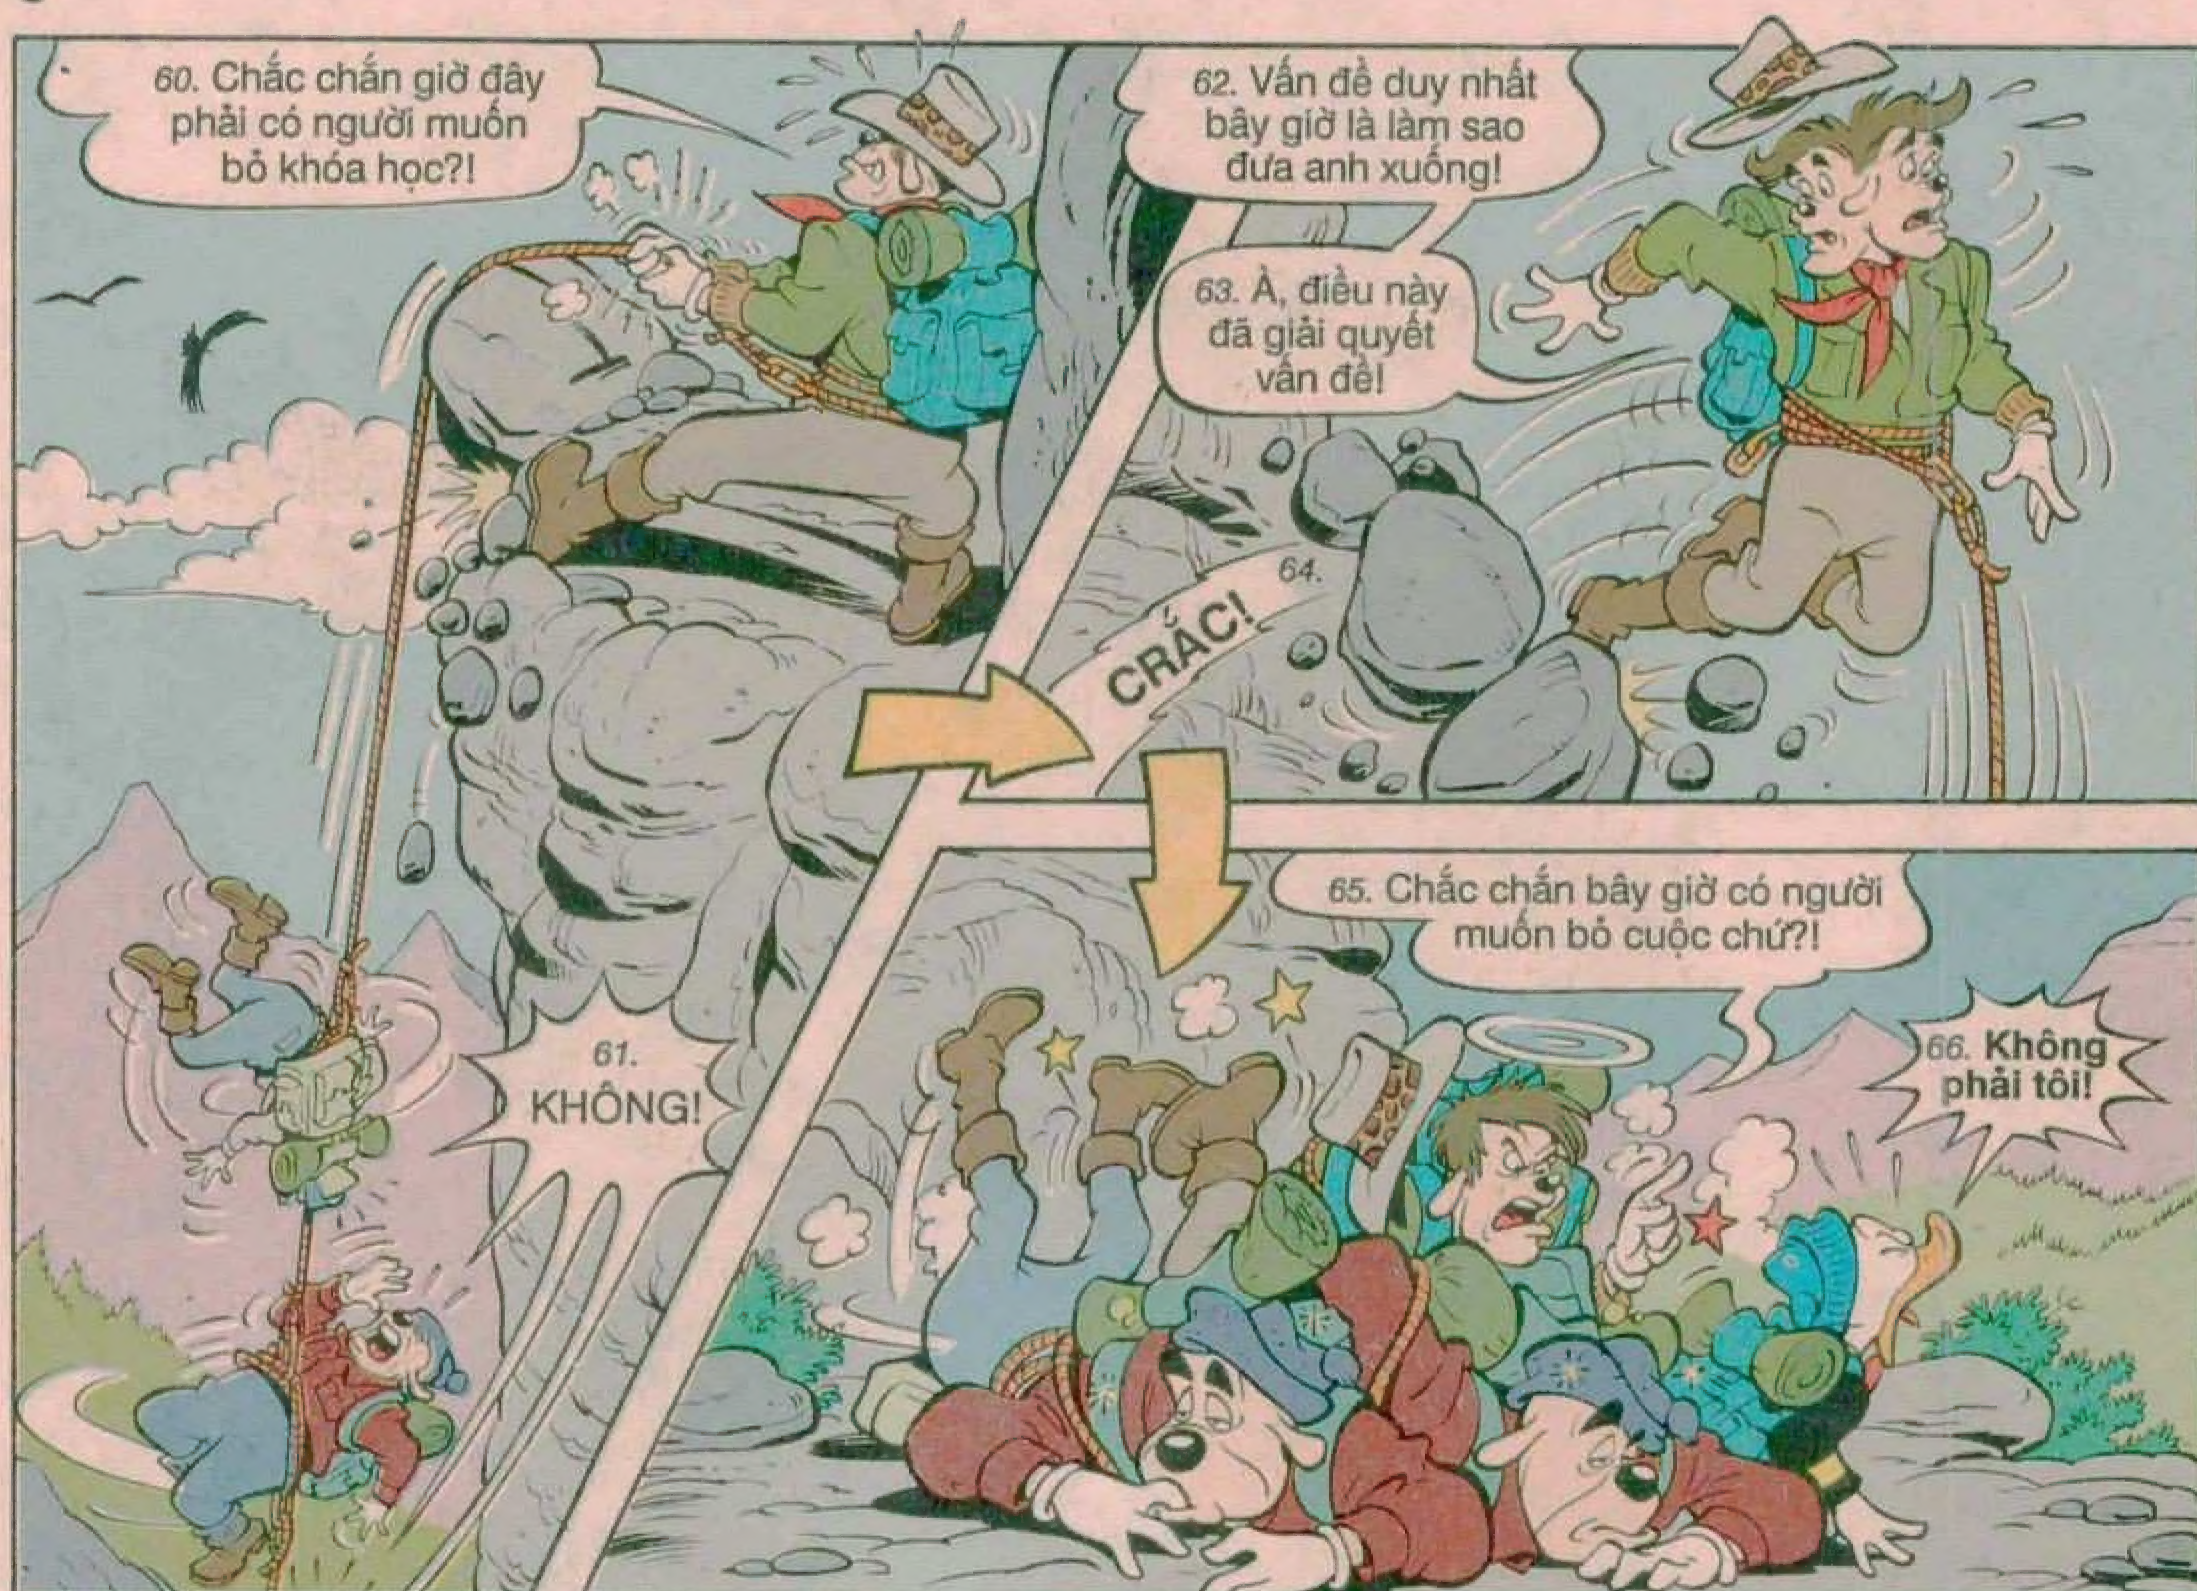

55. AAAAHHHHH!

56. AAAHHHH!!!

57. Maybe I should have stuck to dusting after all!

58. Oof! How the...??!

59. TWANG

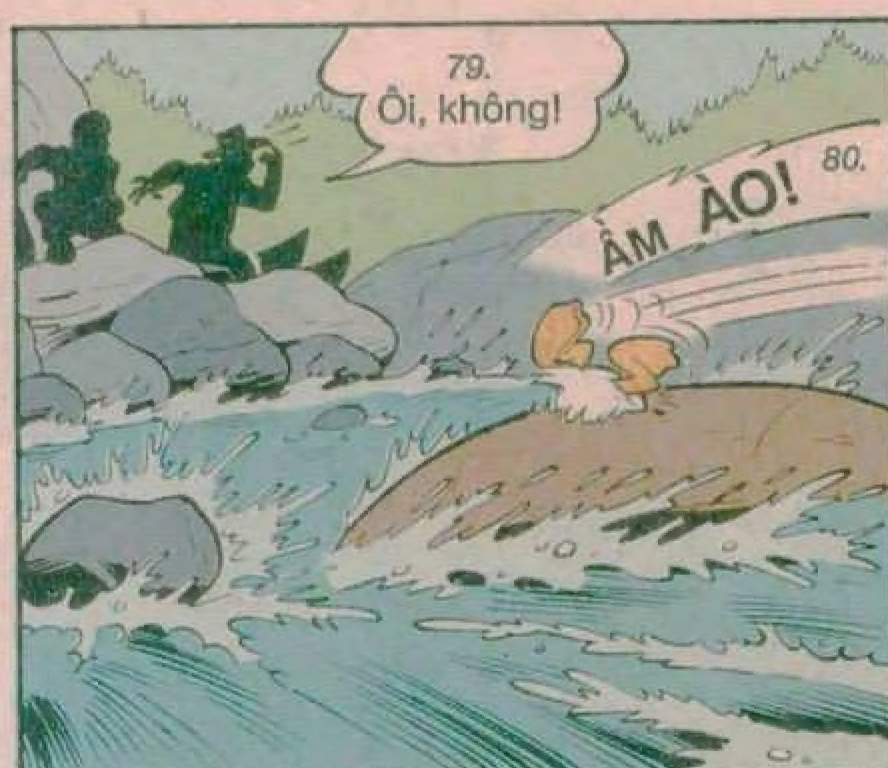

60. Surely someone must want to give up the course now?!
 61. NO!
 62. Now the only problem is how to get you down!
 63. Well, that solves that one!

64. CRACK
 65. Surely someone must want to give up now?!
 66. Not me!
 67. Next day!
 68. Right, today, what we're going to do

is carry our kayaks downstream! Then put them in the water and paddle through the Gander Brook rapids!
 69. And I'll lead the way this time! We don't want any more "misadventures"!
 70. Oh no! Not again!

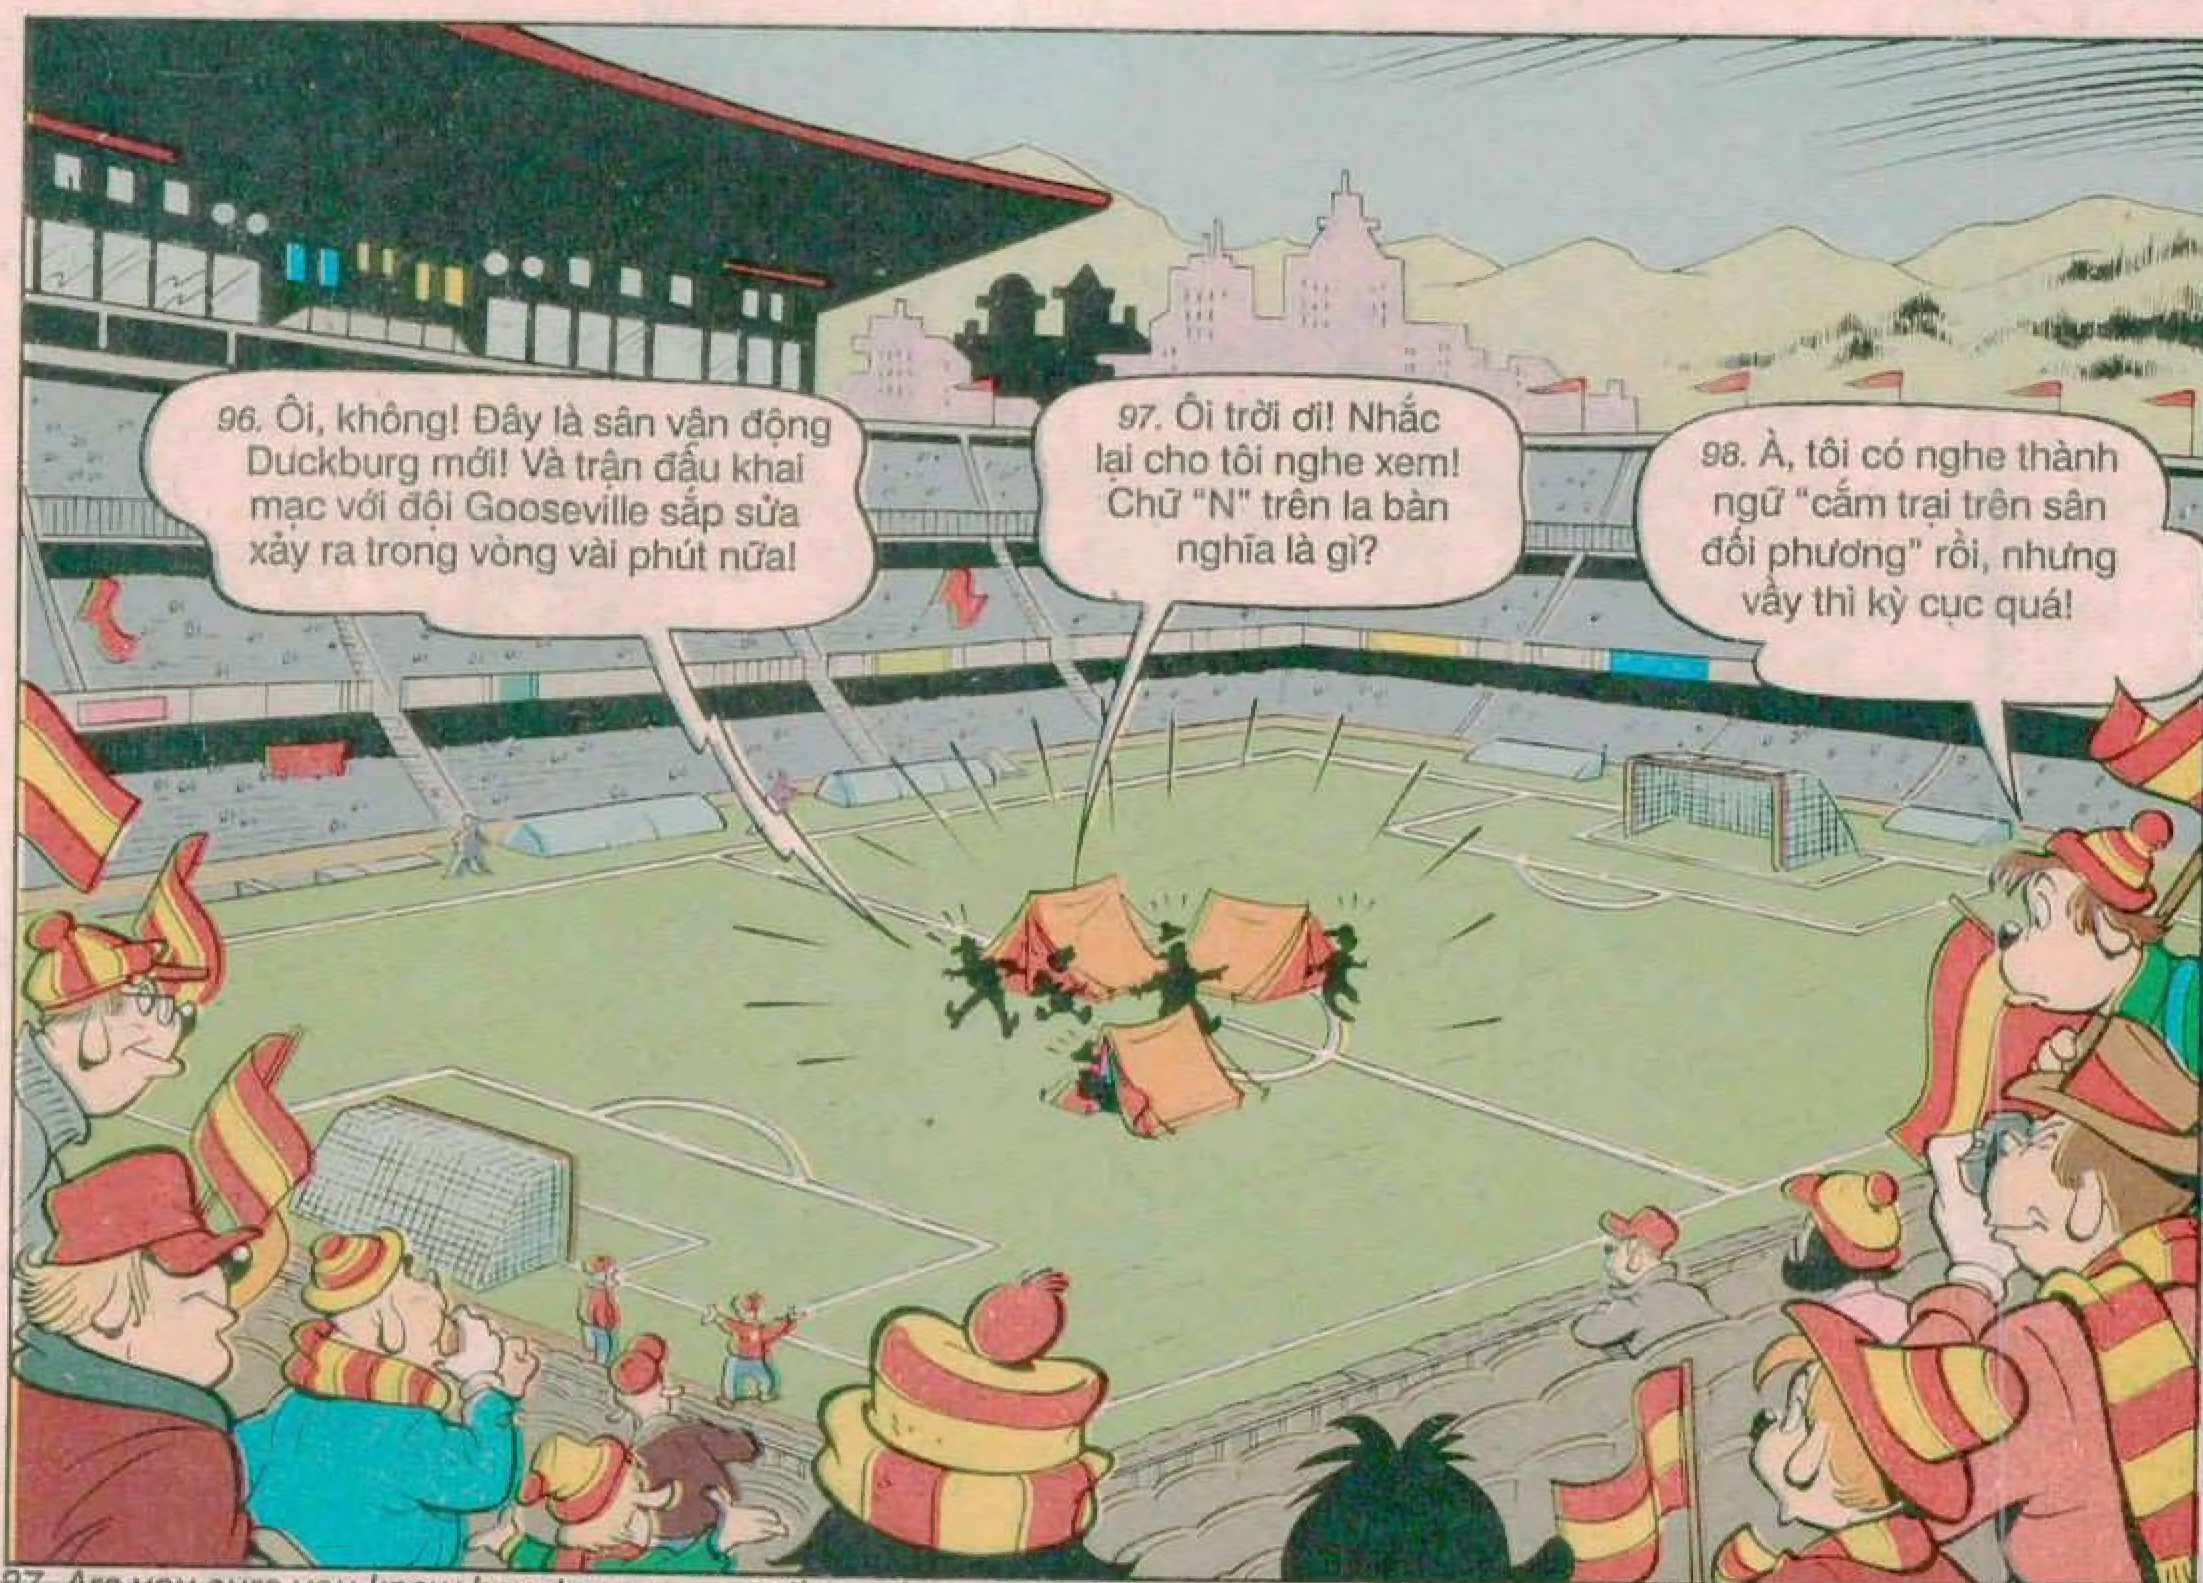

(*) Kayak : xuồng caiac (xuồng gỗ nhẹ bọc da chó biển của người Eskimo).

71. Hey, wait for...
72. GRRRR
73. It's all right! He won't hurt you! He's eaten too many choc drops! He's got no teeth left!
74. Whoah! Now you tell me!
75. GRRRRRRR
76. Oh no! Where's that pesky duck got to this time?!

77. I'm not sure, but I think that might be him!
78. ROOOOAR
79. Oh no!
80. ROAR THUNDER
81. One rapid later —
82. Please, just give up!
83. Certainly not! Just because you don't want me to show you up! I bet you've

never canoed down those rapids upside down!
84. Later that day —
85. OK, now we come to one of the most dangerous parts of the course — night time orienteering! I want you to decide between yourselves which of these...
86. I'll take the compass!

87. Are you sure you know how to use one of those?!

88. Of course! But I don't really need one! I'm a duck! We've got in-built compasses! That's how we migrate! Hah-Hah!

89. Many hours later —

90. Are you sure this is the way to the camp site?! It doesn't say we have to

go through a cave on the map!

91. Trust me!

92. What did I tell you?! This is the place!

93. Well, at least we can pitch our tents here!

94. The next morning —

95. Well, if this really is the campsite then there should be a magnificent view out over...

96. Oh no! The new Duckburg stadium! And the inaugural match against Gooseville is about to start any minute!

97. Oh dear! Remind me again! What does the "N" on a compass stand for?!

98. Well, I've heard the expression "camped out in the opponent's half" but this is ridiculous!

99. Later —

100. Please, Donald, do everyone a favour and just forget about being an adventurer!

101. Certainly not! I've paid my money and I'm going to finish the course!

102. Hi! I'm Reggie, your instructor for today!

103. And so —

104. Right, Mr. Duck, it's your turn to take over the controls!

105. No!

106. I'm not going to let this twit endanger my life again!

107. What do you think you're doing?! There's no one at the control's now! The plane's going to...

108. ...crash!

109. SCREEECH

110. The acceleration's too strong! I can't move! I can't reach the controls!

111. No! But maybe I can!

112. SCREEEECH

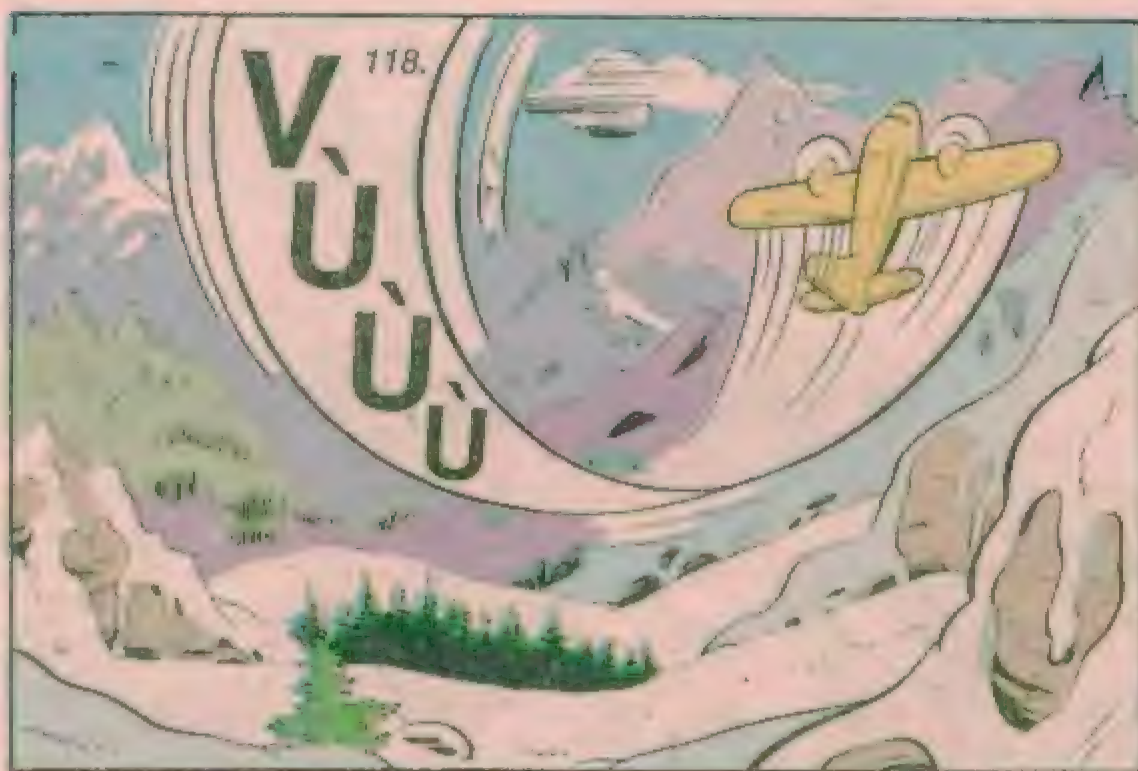

113. If I can just pull myself up!

114. SCREEECH

115. Done it! Now if I can just...

116. Oh no!

117. SCREEEEEEEECH

118. VROOOOOM

119. Phew! That was close!

120. He's done it! He's saved our lives!

121. There we are! We're level again

and above the height of the mountains!

122. You're a natural! I should be taking

flying lessons from you!

123. You better take over the controls!

Whoops!

124. Oh no! The joystick!

125. SNAP!

126. What's going to happen?!

127. When we run out of fuel the plane's

going to crash! Lucky you're all wearing

your parachutes!

128. These aren't parachutes! They're

rucksacks! Oh no! We're all going to die!

129. Maybe not! I've got an idea!

130. OK! I want everyone to empty their

rucksacks out in the middle of the plane!

131. What's the good of that?! Are you

hoping someone might have packed a

spare plane?!

132. What are you doing?! This is no time to be mending tents! We've only got two hours of fuel left!

133. Two hours later —

134. Do you hear that! The engine's

have stopped! We've run out of fuel! We're all going to die!

135. Phew! Finished just in time!

136. OK! Everyone grab hold of an ice pick and jump!

137. You must think we're mad!

138. Well, have you got any better ideas?!

139. Wow! What a duck!

140. They don't steer very well!

141. KABOOM

142. Oh no! Wolves!

143. SNARL

144. Quick, everyone! Back to the plane!

145. Why?! We just escaped from it!

146. Don't you know anything?! Wolves are frightened of fire!

147. Oh, great idea! What do we do

when the fire runs out?!

148. You're right! We need to find a way of getting down off this mountain fast! Ah-ha!

149. This looks like just what we need!

150. You're not going to try and sow the

plane back together are you?!

151. Quick! Everyone hop on!

152. This is suicide!

153. Still, I'd prefer to commit suicide than be eaten by wolves!

154. WHOOOOOSSSH

155. WHOOOOSH
156. AAAAAHHHHH...
157. SPLOSH
158. ...HH!
159. SPLAT
160. Huh! Calls himself an adventurer!
No real adventurer would leave his colleagues alone in the middle of

nowhere!
161. Well, we may be in the middle of nowhere...
162. ...but we're certainly not alone!
163. Take them! They have defiled our sacred lake! We must appease the demon of the lake!
164. Soon —

165. What do you think they're going to do to us?!
166. I don't know but I doubt he's sharpening that bamboo cane to grow runner beans up!
167. Run for your lives! The strangers have made Oggo Boggo, the demon of the lake, angry!

168. Ôi, không! Giờ thì tôi biết bọn chúng định làm gì chúng ta rồi! Chúng định đem ta làm mồi cho thủy quái Oggo Boggo!

169. Xui quá! Mình chưa kịp vót nhọn cây cọc trồng đậu tây của mình!

170. Xin dừng, ngài Oggo Boggo, đừng hại tôi!

171. Im miệng đi đồ ngốc! Tôi đây mà, Donald đây! Và tốt hơn hết chúng ta nên chạy khỏi đây trước khi bọn thổ dân khám phá ra thủy quái chính là tôi!

172. Một thời gian sau...

173. Bác thấy đó, cháu là một nhà thám hiểm! Và cháu có bằng cấp để chứng minh điều này! Cháu đã dùng đầu lớp đó!

174. Toàn chuyện nhảm nhí! Mảnh giấy ngớ ngẩn đó chả chứng minh được điều gì cả! Vào thời bác người ta có những cuộc thám hiểm thực sự! Và họ có chiến lợi phẩm để chứng minh điều đó!

175. Tuy vậy sau đó...

176. Ô vâng, ông McDuck giờ đã khá hơn nhiều! Nhưng có một điều tôi không hiểu được! Tại sao ông đã cố nuốt chiếc mũ tốt nghiệp vậy kia?!

177. À, đó là một câu chuyện dài, cô y tá à! Khoảng nửa tháng nữa tôi sẽ gọi lại nhé!

168. Oh no! Now I know what they're going to do to us! They're going to feed us to Oggo-Boggo, the demon of the lake!

169. Rats! And I hadn't finished sharpening my runner beans stake!

170. Please, Mr. Oggo Boggo, don't hurt me!

171. Shut up you fool! It's me, Donald!

And we better get out of here before those local chaps find out it's just me!

172. Some time later —

173. So you see I am an adventurer! And I've got the degree to prove it! I came top of my class!

174. What a load of cods wallop! A stupid bit of paper proves nothing! In my day people had real adventures! And they had trophies to prove it!

175. Later still —

176. Oh yes, Mr. McDuck's much better now! There's just one thing I don't understand, though! Why did he try and swallow a mortar board?!

177. Well, that's a long story, nurse! I'll phone again in a fortnight or so!

32. They upgraded the vault, but left the old ventilation system in! It's still large enough for a slender man to crawl through!

33. Slender? Reed thin, y'mean!

34. And reed thin we can be! Or do ya want to pass up this golden opportunity just 'cause you can't control your calories?

53. There's the ventilation duct! They made it smaller...

55. BANK
56. Let's get to it!
57. One thing we know is how to swing picks!
58. TWACK!

59. And there's the original duct, just like you said, Spryly!

6. CRACKKK!

7. Okay, who threw the rock? When I get my hands on...
 8. But it's not a rock, Unca Donald!
 9. It's a meteorite!
 10. Imagine! This thing probably traveled a zillion miles!

11. Pfft! Still looks like a rock to me!
 12. But what's this crawling around inside?
 13. >Gasp!< There is life in outer space!
 14. And how! These babies will make excellent fishing bait!

15. Fishing bait?! Unca Donald, you can't use...
 16. I can, and I will!
 17. Now get to bed! We have a big day of fishing tomorrow!

18. Chiều hôm sau...

20. Oh, all right! >Sigh! <

21. My precious grubs will wait 'till next

22. One week later —

23. What a glorious day for fishing! Especially with my new bait!

24. Wak! I've lost my grubs!

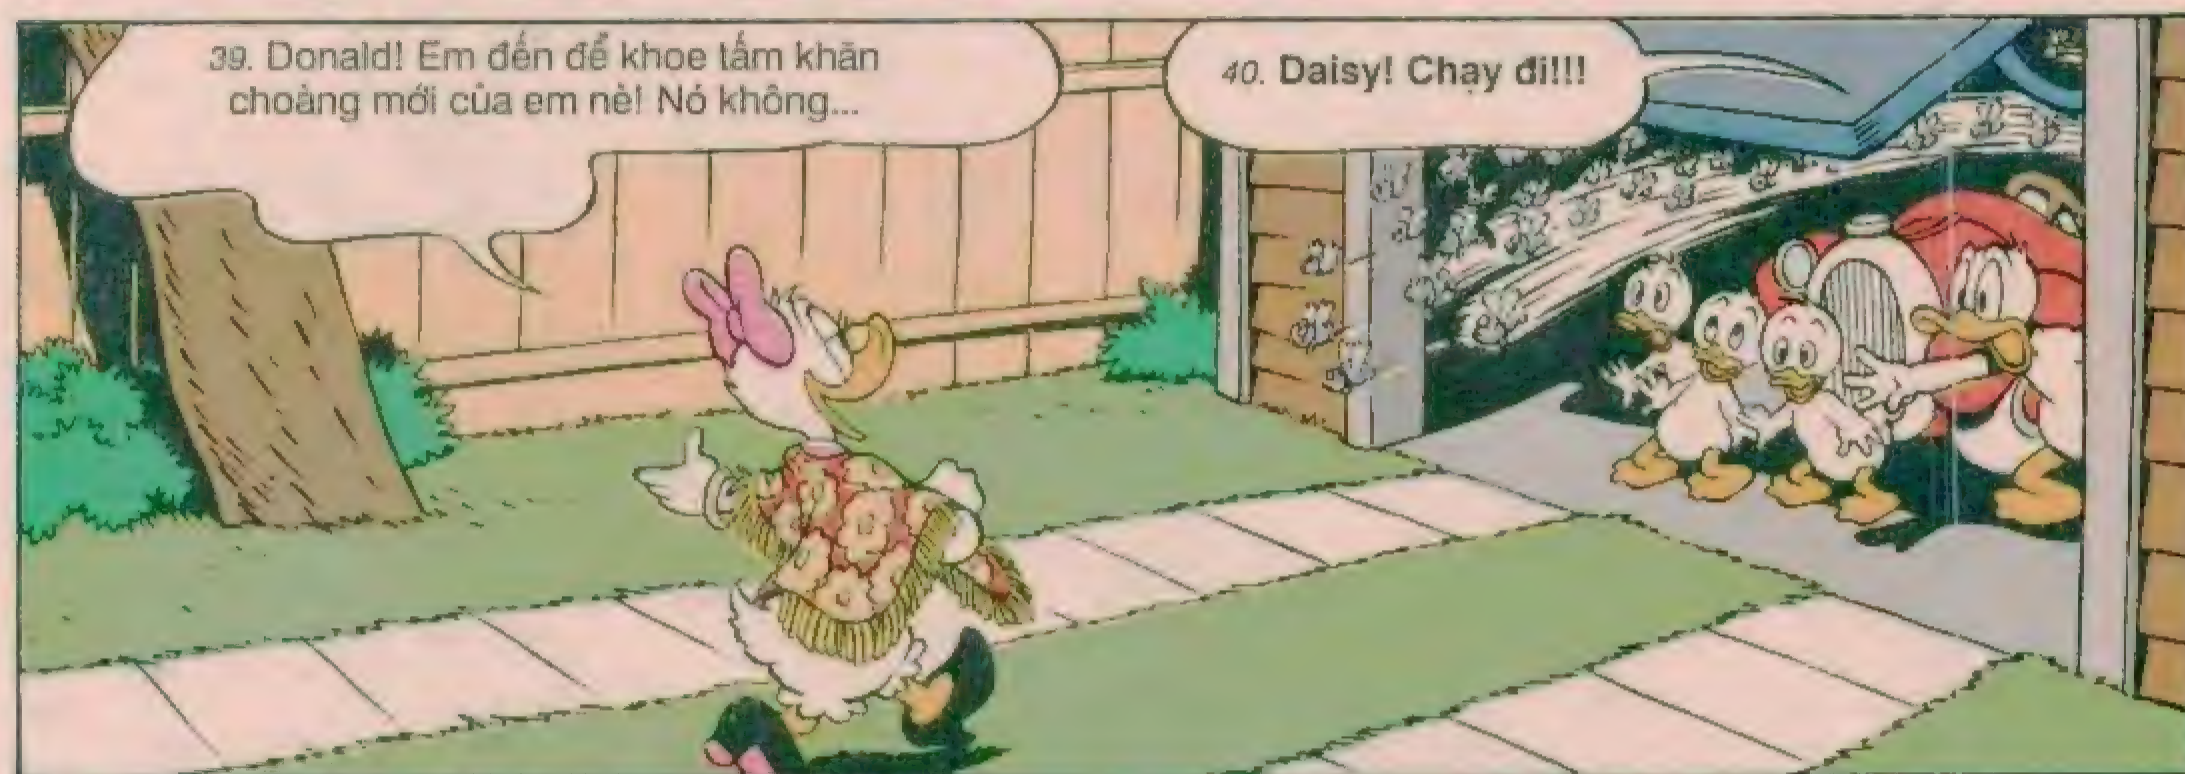

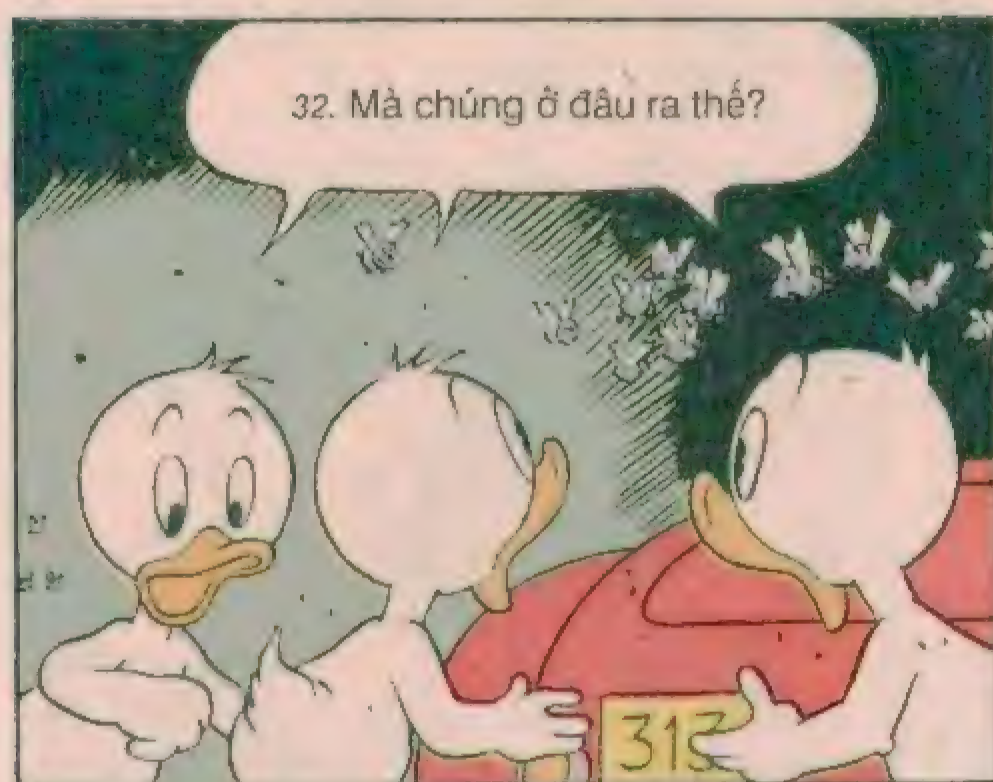

25. And gained a swarm of giant moths? >Gasp! <

26. Back off, gluttons! You'll get heartburn!

27. MUNCH!

 56. Hello, Duckburg! Here's the news! Our lead story tonight — giant moths attack the city!
 57. DONALD DUCK
 58. According to three unidentified sources, this duck is to blame!

59. >Choke!<
 60. Three unidentified sources, eh?
 61. You did bring those moths to Duckburg, Unca Donald!
 62. And you three will help me get rid of 'em!

63. The next morning —
 64. Up and at 'em boys!
 65. CHARGE!!!

86. Thanks for coming so soon, general!
87. That's what we're here for, citizen!
88. Boy! What a SWAT team!
89. When you want something done

right, call the air force!
90. Man! Those moths are stubborn!
91. Worry not, Duck! My men are invincible!
92. >Gasp!< Maybe not, chief! Looks like they are about to...

93. CRASH!
94. Oh, no! Can anything worse happen?
95. MUNCH!
96. MUNCH!
97. MUNCH!

98. Yes —

99. But, general! The moths are still up there!

100. Hmph! Call the navy!

101. Grrrr! Wish you pests would go back where you came from!

102. Say! That gives me a swell idea!

103. And only one person can help me pull it off!

104. Hello, Grandma? Have I got a job for you!

105. Soon —

106. Faster, folks! We still have oodles left to do!

107. CLICK! CLICK! CLICK!

116. Way to go, Unca Donald!

117. The next morning —

118. All systems are go, general!

119. Control tower! Remove shield... now!

120. Oh, dear! I knew that sleeve

wasn't quite right!

121. Grandma, the moths won't care a bit!

122. If they even show up! >Gulp! <

123. Where are those rascals?

124. Look, everybody! Here they come!

125. Just in time for lunch!

126. Control tower! Wait for contact and then blast those suckers to kingdom come!

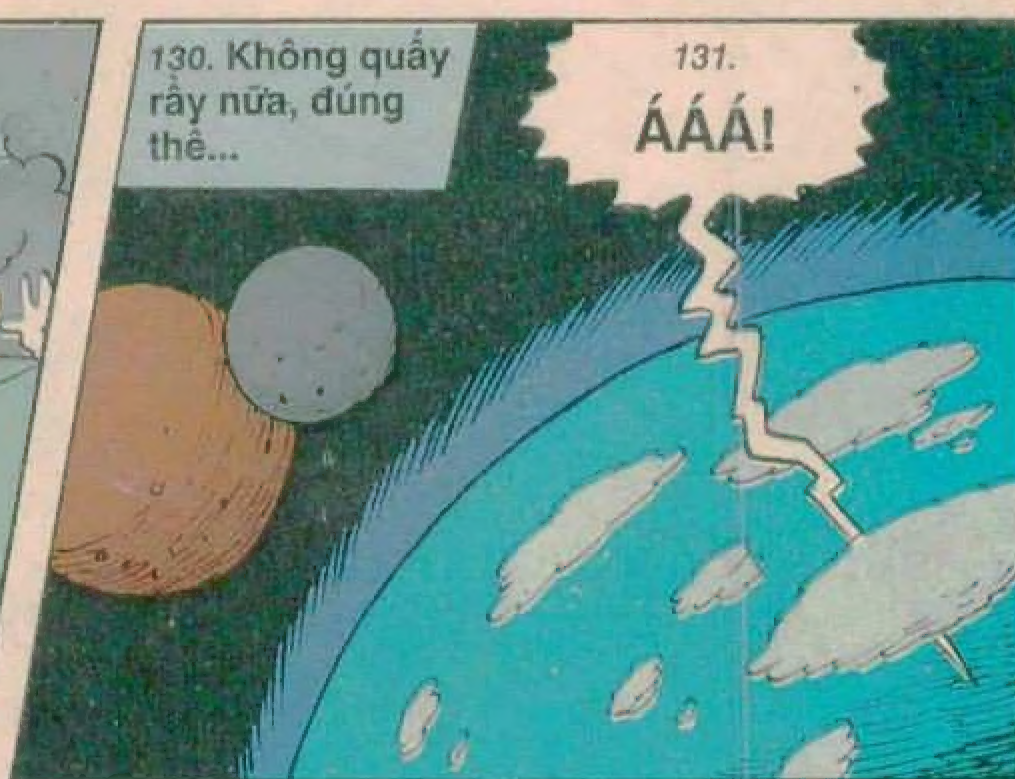

127. Tốt rồi! Vậy là lo xong bọn chúng!

128. Nhưng rồi chúng sẽ kết thúc ở đâu nhỉ?

129. Ai mà cần biết chứ? Miễn chúng đừng quấy rầy chúng ta nữa!

130. Không quấy rầy nữa, đúng thế...

131. ÁÁÁ!

132. Bất hạnh thay, dân chúng lương thiện trên hành tinh Melbar thì không được may mắn như thế...

133. Hầy! Mấy thằng này ở đâu ra vậy?

127. Well! That takes care of them!
128. But where will they end up?
129. Who cares? Least they won't bother us anymore!

130. No, that's right —
